

## Supplement 1 to ST60 Service Manual

### ST60+ components

This supplement introduces replaceable components used in the ST60+ instrument range, which are different to those used in ST60. Use this supplement in conjunction with the ST60 Service Manual when servicing ST60+ instruments.

See overleaf for Part descriptions and numbers.

**ST60+ Spare Parts**

<b>Item</b>	<b>Description</b>	<b>Part No.</b>	<b>Comments</b>
